College NAAC Code No. MHC0GN10577
AQAR 2022 - 2023

Capacity Building and Skill Enhancement Initiatives 2022-2023 Course Offered: Short-Term Course in Research Methodology

1. Introduction:

This course aims to introduce students to the important aspects of research. The intent of the course is to make students aware of the details associated with formal research and to help students overcome common misconceptions that may be present in their minds. By going through this course, students are likely to be able to take up research activities in a more systematic and formal manner right from the beginning.

2. Objectives:

The main objectives are to:

- To give exposure to the fundamentals of research with specific reference to applied research in social sciences
- To encourage research-based learning
- To create interest in research

3. Target Audience:

Students of undergraduate programs who have not had any exposure to research methodology as a course in itself or part of the curriculum.

4. The Practice:

- i. The course is for a duration 10 days and the sessions are conducted for a duration of 3 hours a day.
- ii. There are 10 modules. Study material is provided for reference. The details of the modules are as follows:

Knowledge is Supreme

Sr. No	Topic	No of Hours
1.	Meaning, characteristics Stages in a typical research process Types of research approaches	03
2.	Types of research approaches	03
3.	Types of data, sources and data collection methods - Primary Data and Secondary Data	03
4.	Types of data, sources and data collection methods – Sources of various types of data and commonly used data collection methods	03
5.	Stages in processing of data	03
6.	Stages in processing of data Analysis of data	03
7.	Analysis of data Research Report Writing	03
8.	Research Report Writing	03
9.	Ethics in Research and Introduction to IPR	03
10.	Research from a functional perspective in commerce and industry	03
	Total	30

Evaluation Pattern:

The performance of the learners will be evaluated in two components. One component will be the Internal Assessment component carrying 50% marks and the second component will be the Semester End Examination carrying 50% marks. The allocation of marks for the Internal Assessment and Semester End Examination are as follows:

A) Internal Assessment: 50 marks

Project: 25 marks for Assignment-1 and 25 marks for Assignment -II

B) Semester End Examination: 50 marks

5. Outcomes:

On successful completion of the course students will be able to:

1. Search for, select and critically analyse research articles and papers.
2. Prepare a literature review.

AQAR 2022 - 2023

**Short Term Value-Added Certificate Course
Mutual Fund Distributors' Regulatory Certification Course (Online)
in collaboration with FinX
(AV Financial Experts Network Private Limited)
2022– 2023**

1. Introduction:

FinX (AV Financial Experts Network Private Limited) is a collaborative network involved in skilling and capacity-building for the BFSI (Banking, Financial Services and Insurance) Sector, focusing on competency building for the investments and financial services sector.

NISM-Series-V-A: Mutual Fund Distributors' Certification is one of the regulatory certifications mandated by **Securities and Exchange Board of India (SEBI)** for specific job roles in the financial services. The certification seeks to create a common minimum knowledge benchmark for all persons involved in selling and distributing mutual funds.

2. Objectives: Know the basics of mutual funds, their role and structure, different kinds of mutual fund schemes. Get acquainted with financial planning as an approach to investing in mutual funds

- ✓ Provide practical relevance of financial concepts in real life job roles.
- ✓ Give training in mandatory NISM regulatory certification.

3. Target Audience:

All the programmes from the Degree College (undergraduate and post graduates).

AQAR 2022 - 2023

Capacity Building and Skill Enhancement Initiatives 2022-2023

Course Offered: Management of Creativity (Online)

1. Introduction:

This course introduces the learners to the various theoretical concepts related to the human creative process, developing creative ideas, and converting ideas into innovative solutions or products. Topics emphasize the importance of creating a sustainable process to continually innovate in the areas of product, process and service innovation. Learners will be introduced to various common tools and methods to promote creativity in others, contribute to a creative team, manage development frameworks alongside creativity, and establish a culture of creativity within an organization. This course prepares learners to contribute to their organizational needs for the continuous and successful development of new products and services.

2. Objectives:

The main objectives are to:

- Create a business-oriented approach to creativity.
- Expose learners' creative potential and help them to develop creative thinking skills.
- Relate creativity with business survival, growth and sustainability, for both commercial and social enterprises.

3. Target Audience:

First Year Postgraduate Learners (M.Com. Part I)

4. The Practice:

- i. The course is for a duration 10 days and the sessions are conducted for a duration of 3 hours a day.
- ii. There are 4 modules. Study material is provided for reference. The details of the modules are as follows:
 - 1) Introduction to Creativity
 - 2) Components of Creativity
 - 3) Creativity Techniques
 - 4) Managing Creativity

AQAR 2022 - 2023

**Short Term Value-Added Certificate Course
in Communication entitled – “Maximize Your
Message (Offline)
in collaboration with Johnson Odakkal Initiatives
2022-2023**

1. Introduction:

Johnson Odakkal Initiatives offers a range of services designed to help individuals achieve their personal and professional goals. The short term course “Maximise Your Message” service is ideal for entrepreneurs, professionals, and anyone who wants to improve their communication skills. The workshops are designed to help individuals identify and break old habits, and develop new, positive habits that will help them achieve their goals. The experienced facilitators provide guidance and support throughout the process, helping clients to stay on track and achieve lasting change.

Objectives:

- To develop effective communication skills so as learners will be able to identify and use communication strategies to effectively convey their message in various contexts.
- To Adapt communication style to different audiences as learners will be able to tailor their communication style to different audiences and contexts, including written, oral, and visual communication.
- To develop professional communication skills as learners will be able to apply effective communication strategies in professional contexts, such as job interviews, networking events, and workplace communication.

AQAR 2022 - 2023

**Short-Term Value-Added Certificate Course
Advanced Programme in Web Designing (Hybrid)
in collaboration with Anudip Foundation
2022 – 2023**

1. Introduction:

Anudip Foundation for Social Welfare, set up in 2007, is a Section 8 non-profit company as per Companies Act, 2013.

Over the past 12 years Anudip Foundation has worked with international and national agencies, government units, corporations and community-based organizations to offer sustainable livelihood programmes for disadvantaged groups residing in the rural and semi-urban West Bengal, Odisha, Jharkhand, Andhra Pradesh, Telangana, Tamil Nadu, Rajasthan, Maharashtra, North East and Delhi.

In Advanced Programme in Web Designing, the learners are trained in the process of planning, conceptualizing, and implementing the plan for designing a website in a way that is functional and offers a good user experience.

2. Objectives:

- To apply basic design principles to present ideas, information, products, and services on websites.
- To develop the ability to logically plan and develop web pages.

3. Target Audience:

The course is offered to: **Second Year B.Sc.(IT) learners**

AQAR 2022 - 2023

**Short-Term Value-Added Certificate Course
Advanced Programme in Hardware and Networking (Hybrid)
in collaboration with Anudip Foundation
2022 – 2023**

1. Introduction:

Anudip Foundation for Social Welfare, set up in 2007, is a Section 8 non-profit company as per Companies Act, 2013.

Over the past 12 years Anudip Foundation has worked with international and national agencies, government units, corporations and community-based organizations to offer sustainable livelihood programmes for disadvantaged groups residing in the rural and semi-urban West Bengal, Odisha, Jharkhand, Andhra Pradesh, Telangana, Tamil Nadu, Rajasthan, Maharashtra, North East and Delhi.

The Advanced Programme in Hardware and Networking trains the learners to deal with the physical devices within a computer and the networks that connect them to share resources and exchange data with each other.

2. Objectives:

- To provide an in-depth and thorough knowledge of the computers and its components, along with the complex science of their functions, connectivity and networking.
- To identify the names and distinguishing features of different kinds of input and output devices.

3. Target Audience:

The course is offered to: **Second Year B.Sc. (IT) learners**

Website : tcc.tolani.edu

4. The Practice:

i. Team:

The team consists of the following members:

- Coordinators from:
 - Anudip Foundation 1
 - Tolani College of Commerce 1
- Trainer 1

ii. The total duration of the course is **3 months**.

iii. Details of the 'Advanced Programme in Hardware and Networking Course' are as follows:

- Chapter 1: Hardware (Theory)
- Chapter 2 : Hardware (Practical)
- Chapter 3 : Networking (Theory)
- Chapter 4 : Networking (Practical)
- Chapter 5 : Soft Skills

5. Outcome:

The learners will be able to know the Basics of Computer Assembling and Trouble-shooting. They will be able to design, implement, and evaluate a computing-based solution to meet a given set of computing requirements.

6. Coordinators from

Anudip Foundation:

Ms. Nibedita Pandit

College NAAC Code No. MHC0GN10577
AQAR 2022 - 2023

Short Term Value-Added Certificate Course
Chartered Financial Expert (CFX) (Online)
in collaboration with FinX
(AV Financial Experts Network Private Limited)
2022-2023

1. Introduction:

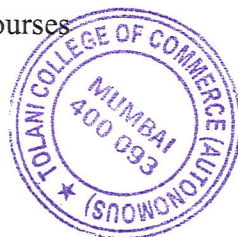

FinX (AV Financial Experts Network Private Limited) is a collaborative network involved in skilling and capacity-building for the BFSI (Banking, Financial Services and Insurance) Industry, focusing on competency building for the investments and financial services sector.

Chartered Financial Expert (CFX) is a short-term professional certification targeted at learners who are looking for a successful career in BFSI Industry. The programme is designed to make learners job/entrepreneurship ready.

This certification is supported by leading industry and educational institutions - Indian Banks Association, General Insurance Council (GIC), Association of Mutual Funds in India (AMFI) and Centre for Investment Education & Learning (CIEL). The core of the Chartered Financial Expert (CFX) programme is the content, curated to help learners to acquire relevant skills for real world corporate scenarios. The modules have been designed, taking into consideration the regulatory necessities as well as the practical learning of the learners.

This course aligns with the vision of the College to:

- ✓ Provide education which is progressive
- ✓ Provide employment-oriented courses
