ABOUT THE COLLEGE

SPONSORED & MANAGED BY
TOLANI EDUCATION SOCIETY, MUMBAI
AFFILIATED TO UNIVERSITY OF MUMBAI
RE-ACCREDITED (3RD CYCLE) BY N.A.A.C
WITH 'A' GRADE (CGPA 3.03)

Tolani College of Commerce was established in 1989 by the visionary educationist and entrepreneur **Dr. Nandlal P. Tolani, Founder Chairman** of the Tolani Group of Companies. The College is a part of the Tolani Education Society, a philanthropic initiative inspired by the legacy of **Mr. Pribhdas (Kaka) Tolani**, whose belief in education as a vehicle for social upliftment shaped the foundation of several educational institutions across India.

Situated in Mumbai, the College has grown into a premier institution offering quality education in commerce and management. Over the years, it has introduced a range of undergraduate and postgraduate programmes, consistently maintaining academic excellence, inclusivity, and relevance in an evolving educational landscape.

Tolani College of Commerce (Autonomous) is committed to holistic development, encouraging both academic rigor and active participation in community outreach, sustainability efforts, and professional development initiatives. The institution reflects the vision of its founder—to create a knowledge-driven society that is equipped to meet the challenges of the future through education, integrity, and innovation.

Currently, the College is led by **Dr. Sujata Naik Tolani, Chairperson of the Tolani Education Society**, who continues to carry forward the family's deep-rooted commitment to educational excellence and social responsibility.

About the Conference:

The growing environmental crisis, climate change, and unsustainable resource use have made green initiatives and sustainable development more urgent than ever. This national-level conference seeks to provide a vibrant platform for academicians, researchers, practitioners, policymakers, industry leaders, and students to share insights, innovations, and research findings on fostering sustainability across various sectors.

The conference aims to encourage interdisciplinary dialogue and showcase actionable solutions to real-world environmental challenges. It will also highlight institutional efforts, grassroots movements, and technological advancements contributing to a greener future.

Objectives:

- To foster awareness and action on sustainability and green practices
- To promote cross-sectoral research on climate-conscious strategies
- To showcase innovative solutions and case studies on environmental conservation
- To facilitate networking among educators, entrepreneurs, and policymakers

THEMES

Sustainability in Education and Curriculum Development

- Environmental Education and Curriculum Innovation
- Education for Sustainable Development (ESD)
- Role of Educational Institutions in promoting green campus initiatives
- Digital Learning: A path towards sustainability
- Student-led sustainability initiatives
- Integration of SDGs in Higher Education Policies

GUIDELINES

- Each paper must include a title page with the author's name, designation, name of institute/ organisation, email ID, and WhatsApp number.
- Papers should be 2,000 to 3,000 words, accompanied by an abstract of 200–250 words and relevant keywords.
- Use Times New Roman, font size 12, with 1.5 line spacing.
- Follow APA style for references. Footnotes must include the author's name, title of the work, place, and year of publication.
- Maps, diagrams, and photographs (if any) should be submitted in JPEG format of high resolution.
- Plagiarism limit: 10%
- Priority will be given to papers that align closely with the conference theme and sub-themes.
- Submit papers at: conference@tcc.tolani.edu

NOTE TO CONTRIBUTORS

While the listed sub-themes reflect the core focus areas of the conference, we warmly welcome high-quality research papers, case studies, and conceptual papers that explore broader dimensions of Green Initiatives and Sustainability across disciplines. Contributors are encouraged to present innovative ideas, cross-sectoral approaches, and emerging practices that address environmental challenges and sustainable development.

We particularly invite interdisciplinary perspectives that intersect with areas such as technology, policy, social innovation, environmental science, media, design, and law, contributing to a holistic understanding of sustainability in the 21st century.
