Report of the Orientation Programme for Freshers and their Parents

A.Y. 2023-2024

Name of the Event	Academic Orientation Programme
Organized by	I.Q.A.C.
Organized for	For Students who have taken admission to the First Year of M. Com programme and their Parents in A.Y. 2023-2024
Day and Date	Wednesday, 26th July, 2023
Name of the Resource Person	Dr. Vasudev Iyer, I/c Principal
Mode of the Event	In-person <input checked="" type="checkbox"/> Online <input type="checkbox"/> Hybrid <input type="checkbox"/>
Objectives of the Event	<ol style="list-style-type: none">1) The primary objective of the orientation programme was to introduce the freshers to the various departments, facilities, and resources available at the College. By providing an overview of the campus, departments, and support services, the programme aimed to make the students feel more comfortable and confident in their new environment.2) With the implementation of the NEP 2020, it was crucial to acquaint the freshers with the credit frameworks. The orientation programme sought to explain the courses offered under different verticals, including the credit requirements, the calculation of credits, and the significance of credits in their academic progression.3) Another important objective was to provide an understanding of the College's autonomous status. The programme aimed to clarify the benefits and implications of autonomy, such as curriculum flexibility, academic freedom, and the ability to design industry-relevant programmes. By doing so, the freshers were made aware of the unique opportunities available to them as students of an autonomous college.

Learning Outcomes	<ol style="list-style-type: none">1) The orientation programme was designed to ensure a smooth transition for the new students into the college community and to familiarize them with important aspects of their academic journey.2) The orientation programme provided the freshers with a clear understanding of the NEP 2020 credit framework. They learned about credit allocation, the importance of credits in degree completion, and how they could plan their academic journey effectively.3) The freshers acquired an awareness of the autonomous status of the College and its implications. They understood the advantages of autonomy, such as the ability to incorporate industry-oriented practices into the curriculum, fostering a sense of creativity and innovation.
