Logistics Skill Council

offers

B.Com. (Logistics)

(An Apprenticeship Embedded Undergraduate Programme)

Prospectus A.Y. 2026-2027

Equivalent to Level 5 of National Skill Qualification Framework (NSQF)

Introduction

In 2019, the McKinsey Global Institute (MGI) predicted that India's logistics sector would expand at a compounded annual growth rate of more than 10 percent, from \$200 billion in early 2020 to at least \$320 billion in 2025.

This will result in growth of employment opportunities in the logistics industry. The need for trained & skilled manpower in the industry is likely to grow. Even within this industry there are skill gaps in varying degrees in different sectors as per the 'Skill gaps in the Indian Logistics Sector: A white paper' by KPMG IN INDIA.

In line with the National Education Policy (NEP) 2020, the College plans to offer skill-based programmes that focus on employability and self-employment opportunities for students. Given the growing demand for skilled manpower in the logistics industry, the College has been offering the B.Com. (Logistics) programme—formerly B.B.A. Logistics—in collaboration with the Logistics Skill Council (LSC) since the academic year 2022–2023.

About the Programme

B.Com. (Logistics) is an Apprenticeship Embedded Undergraduate Programme in Logistics which the College is offering in collaboration with the Logistics Sector Skill Council (LSC). The Council is established by the Ministry of Skill Development and Entrepreneurship (MSDE) through the National Skill Development Corporation of India (NSDC), has taken up several initiatives to create adequate skills for gainful employment at various levels in the Logistics Industry. The degree will be awarded by the University of Mumbai.

In the terminal semesters of the programme students will be undergoing two spells of apprenticeship in the logistics industry. Apprentices will be imparted on-the-job training by employers through structured training modules and will be paid a monthly stipend. Through a mix of theory-based learning and the on-the-job training at workplace during the two spells of apprenticeship, students will acquire the skills and competencies required for employment in the logistics industry. After successful completion of apprenticeship, which is considered as equivalent to one year of work experience, the apprentices will be issued a Certificate of Proficiency by Government of India.

Objectives of the Programme

The College is offering the B.Com. (Logistics) programme in collaboration with Logistics Skill Council (LSC) with the following programme specific objectives:

- To collaborate with an institution of repute to offer an undergraduate programme in logistics, which is comprehensive, relevant and skill based.
- To improve the employability of students enrolling for the programme through on-the-job training in the industry by embedding two spells of apprenticeship.
- To create adequate skills for gainful employment at supervisory or managerial levels in the Logistics Industry.
- To create adequate skills for self-employment in the Logistics Industry

Benefits of the Programme:

- This programme is being offered by the College in collaboration with Logistics Skill Council (LSC) which has been set up by Ministry of Skill Development and Entrepreneurship (MSDE) through National Skill Development Corporation of India (NSDC) and promoted by Confederation of Indian Industries Institute of Logistics (CII-IL) a Centre of Excellence in Logistics with the aim to develop skill trained as well as up-skill the workforce in India. LSC is governed by a Council consisting of experts from different sectors of the logistics industry.
- Apprenticeship consisting of 2 spells of on-the-job training is within the undergraduate programme. This ensures that students learn theory and application which will equip them with required skills and competencies for employment immediately after graduation. After successful completion of apprenticeship, a certificate will be issued by Government of India.
- Apprenticeship is equivalent to one year of work experience.
- During the 2 spells of apprenticeship students will be paid monthly stipend.
