Programme	Sem.	Course	Examination	Academic Year
B.Com.	1	Communication Skills in English-I	Continuous Evaluation Examination (CEE) Autonomous Batch	2026-2027

Sr. No.	Exam Seat No.	Roll No.	Name	Project Topic
Business Communication -I				
1	40	40	CHAWHAN DISHA LAXMIKANT	Q.1. Theory of Communication – 10 Marks “Effective communication is essential for the success of an organisation.” Discuss this statement in detail. Explain the meaning, process, need and importance of communication, and discuss the Linear, Interactive and Transactional models of communication. Also explain the role of feedback in making communication effective. Illustrate your answer with suitable workplace examples. Q.2. Technology and Workplace Communication – 10 Marks Technology has significantly transformed communication in the corporate and global world. Discuss the emergence and importance of technology-enabled communication in modern organisations. Explain the advantages and disadvantages of communication through e-mail, Internet, blogs, Moodle and social media platforms such as Facebook, Twitter and WhatsApp. Also discuss the importance of appropriate netiquette and professional etiquette while using digital communication. Q.3. Business Correspondence – 10 Marks Business correspondence plays an important role in maintaining professional relationships and facilitating organisational communication. Explain the principles, structure, layout and essential parts of an effective business letter, with special reference to the Full Block format. Discuss the principles of effective e-mail writing. Then, draft a suitable Job Application Letter along with a Resume for a position of your choice. Q.4. Communication Barriers, Listening and Soft Skills – 10 Marks Effective workplace communication can be affected by several barriers and interpersonal challenges. Discuss the major physical, semantic, language, socio-cultural and psychological barriers to communication and suggest practical ways of overcoming them. Explain the importance of listening skills, obstacles to effective listening and ways of cultivating good listening habits. Finally, discuss the role of emotional intelligence, conflict management and time management in developing effective workplace communication.

Sr. No.	Exam Seat No.	ROLL NO	Name	Project Topic
MATHEMATICAL AND STATISTICAL TECHNIQUE -1				
1	ATCOM1 22-23	23	BHARDWAJ PRIYANKA RAVINDRA KUMAR	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
2	40	40	CHAWHAN DISHA LAXMIKANT	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
3	ATCOM1 22-125	125	DUBEY RAGHVENDRA RAKESH	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
4	ATCOMI 21-140	140	THORAT TEJAS RAM	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
5	171	171	KALE RITIK BHIMRAO	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
6	ATCOM1 22-191	191	KHAN MOHAMMED DAWOOD MAHFUZOOR REHMAN	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies.

				4. Define Probability. Explain the basic concepts of Probability with suitable examples.
7	264	264	ANSARI MISBA BANO MOHD YASIN	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
8	268	268	PARSHARAM VEDANT MILIND	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
9	270	270	SUTHAR VIKRAM CHAMPALAL	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
10	ATCOM1 22-288	288	GAIKWAD RITIK BABURAO	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
11	414	414	HADKAR HARSH MARUTI	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
12	432	432	YADAV ABHISHEK JANARDHAN	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
13	433	433	MISHRA DHARNIDHAR VIJAYSHANKAR	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.

14	436	436	NAIK MUBASHIZA TAHIR GAFFAR	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
15	441	441	SHAIKH SULEMAN IMRAN	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
16	ATCOM1 22-442	442	CHAUDHARI ROSHANI SANJAY	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
17	ATCOMI 21-447	447	PANDEY POOJA PRAVESH CHANDRA	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
18	458	458	SHARMA JAANVI SANJAY	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
19	495	495	TAMBULKAR PRITHVI ASHOK	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
20	575	575	JAISWAR SONI ASHOK KUMAR	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
21	591	591	THAKUR PRIYA KUMARI	1. Write the merits and demerits of Mean, Median and Mode.

			MITHILESH KUMAR	2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
22	ATCOM1 22-593	593	SINGH NADIA HALESH	1. Write the merits and demerits of Mean, Median and Mode. 2. Define Linear Programming Problem. Explain its characteristics in detail. 3. Discuss the importance of shares as a source of long-term finance for companies. 4. Define Probability. Explain the basic concepts of Probability with suitable examples.
